

## MERCAPTAIN ODOR SKID (MOS)

The Mercaptain Odor Skid (MOS) odorizes a small amount of gas right up to the large volume pipeline.

### **Benefits:**

- Operates smoothly on variable gas flows & interrupted volumes
- Self containment is built right into the skid
- Maintain recommended rate of 8-25mg/M3 in gas stream
- Economical to purchase & run
- Simple to use
- Maintenance free
- Comes complete with insulated building

### **Specifications:**

- Variable sizes of tanks & pressure
- Customizable
- Will build to suit
